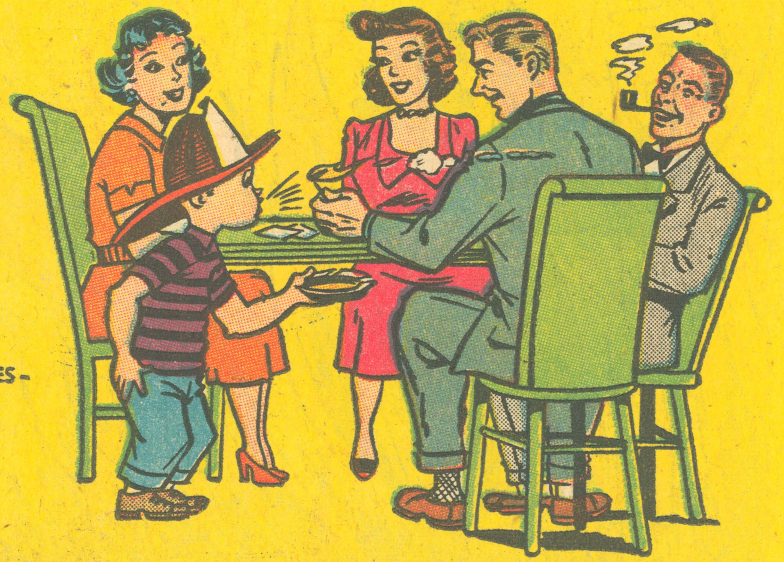
TOMMY JACKSON
Junior Fireman

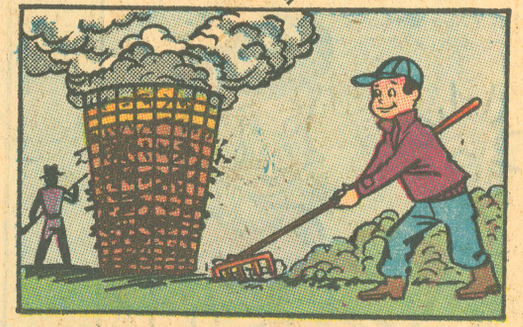


FOR STUDENTS IN THE PRIMARY GRADES –
THEIR LITTLE BROTHERS AND SISTERS.

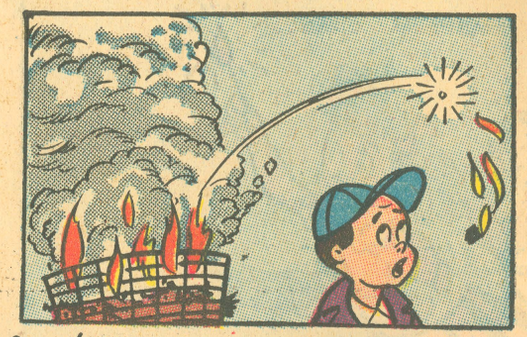
Copyright 1954 NBFU New York, N. Y.

At 5, Tommy and his little brother Tim learned that fire is

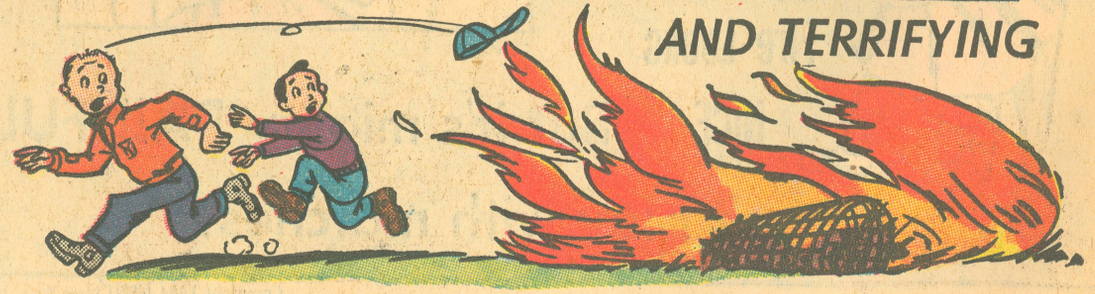
INTERESTING



PUZZLING



AND TERRIFYING

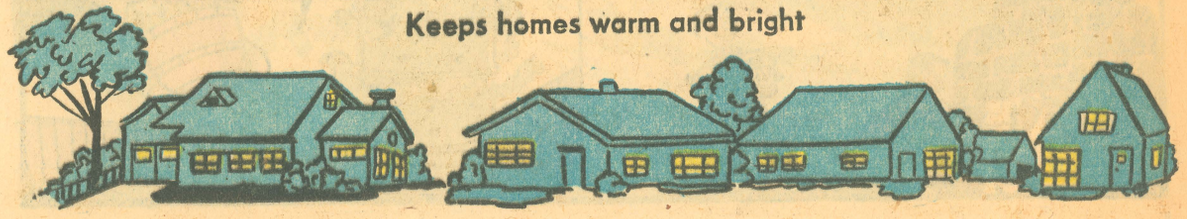


So Tommy, Jane and Tim lived safely by following a few simple rules...

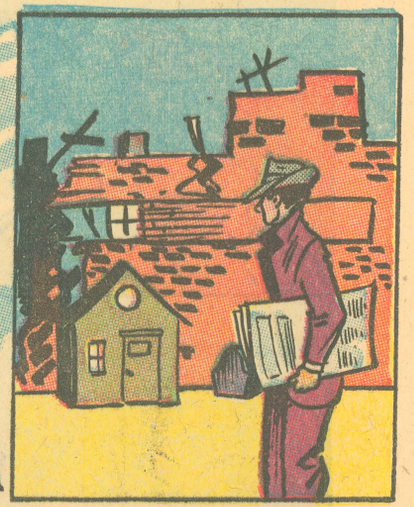
At 6, Tommy learned that fire can be

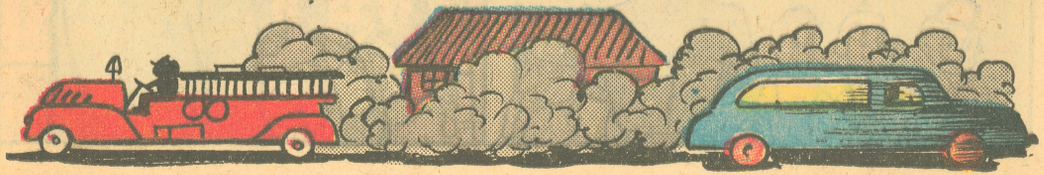
USEFUL...

Keeps homes warm and bright



...or DESTRUCTIVE





At 7, Tommy learned about fire safety

How to telephone the fire department

Emergency Calls
Telephone Directory
Police
Fire
Doctor
Drugs

How to make an alarm chart for their home

Locust Ave.
Fire Sta.
Elm St.
Alarm Box
Police Sta.
Our House
Beech Ave.

Take part in fire drills

Pay a visit to the fire station

Help keep our school clean

Help keep our home clean

Correct all fire hazards

At 8, Tommy knew where fires could start

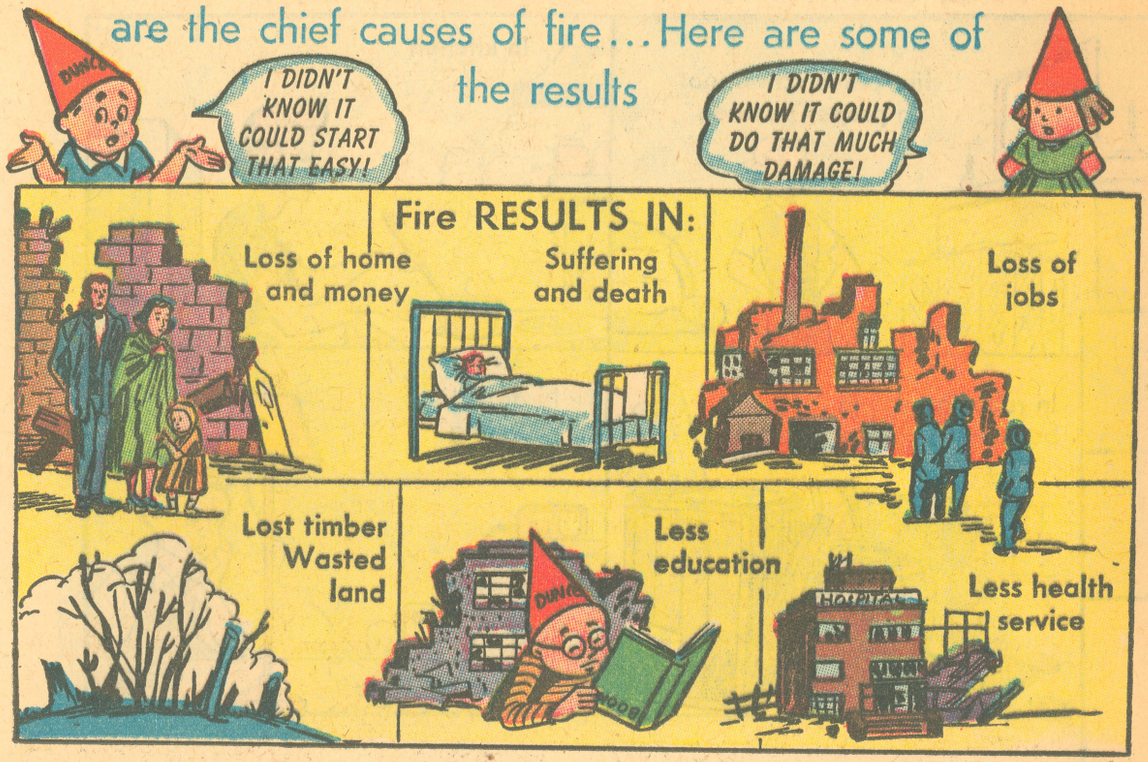
fire place screen not in proper position

In kitchen

In rubbish piles in basement, garage or attic

In defective wiring

At 9, Tommy was told that ignorance and carelessness are the chief causes of fire... Here are some of the results



YOU CAN BE A LEADER BY WHAT YOU KNOW AND WHAT YOU DO

What you know

- ☐ How the fire dept. helps the school, home and community.
- ☐ What equipment is used by the fire department.
- ☐ How to phone the fire department.
- ☐ Causes of fire in school, home, community.
- ☐ How to safeguard fire in a fireplace or outdoor incinerator.
- ☐ How to treat a burn.
- ☐ Where fire exits are in public buildings.
- ☐ How to prevent fires by turning off electric equipment when not in use.
- ☐ How fire helps the family by heating the house and cooking the food.
- ☐ Why you must know how to help yourself to be safe from fire.

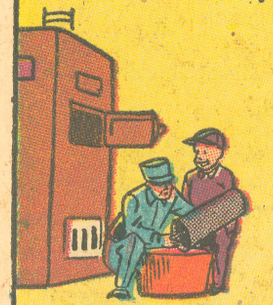
What you do

- ☐ Practice school fire drills.
- ☐ Observe school fire drills.
- ☐ Report fires promptly to an adult.
- ☐ Keep away from incinerators.
- ☐ Roll up in rug or blanket if clothing catches fire.
- ☐ Stay out of way of fire trucks, keeping safe distance from firemen at work.
- ☐ Call for first aid in case of a burn.
- ☐ Volunteer to help authorities and parents in school, community and home inspections.
- ☐ Help clean up school, home and community.

HERE ARE YEAR ROUND

Fall

Report unprotected fires. Help Dad put out the campfire.

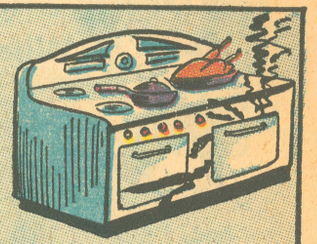


Do no use candles in Jack-O-Lanterns. Be sure your mask has large enough eye cut-outs. Wear flame-proof costume.

Remind Dad to have furnace, chimneys and pipes cleaned.

Winter

Keep safe distance away from stoves at all times.



At parties and public places locate nearest fire exit.

Tell Dad to keep Christmas tree in water. Don't use candles on tree. Don't overload circuits with tree lights. Throw away tree and greens before too dry.

FIRE SAFETY RULES

Spring

Have an adult help you burn rubbish and only on a calm day.

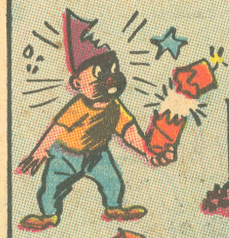
Throw away oily rags, papers and trash.

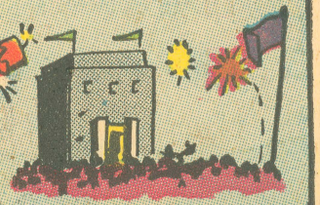
Fly your kite away from electric wires.

Remind Dad to check wiring and appliances for overloaded circuits. Replace or repair worn equipment.

Summer

Don't use home fireworks.





Celebrate the safe way.

Use care in building and putting out fires.

Keep fires under control.

YOUR VERY OWN FIRE SAFETY CHECK-LIST

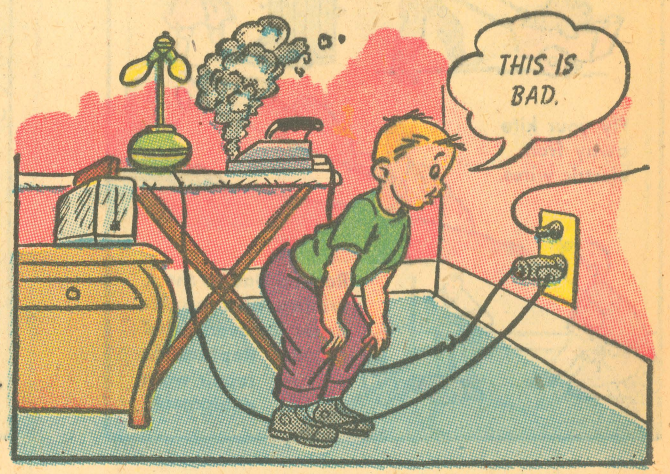
YES NO

- ☐ ☐ Is fireplace screened?
- ☐ ☐ Are matches out of reach of small children?
- ☐ ☐ Are ashtrays kept empty?
- ☐ ☐ Are all cigarettes put out?

Ask your Mom & Dad to help you answer

YES NO

- ☐ ☐ Do you avoid overloaded sockets?
- ☐ ☐ Is iron disconnected when not in use?



HOW FIRE SAFE IS YOUR HOME?

YES NO

- ☐ ☐ Is basement clear of rubbish?
- ☐ ☐ Is attic clear of rubbish?
- ☐ ☐ Are closets clear of rubbish?
- ☐ ☐ Are oily rags kept in covered metal cans?
- ☐ ☐ Are kerosene and flammable cleaning fluids stored out of doors?

YES NO

- ☐ ☐ Are pots and pans kept from boiling over?
- ☐ ☐ Is stove clear of things that don't belong there?
- ☐ ☐ Do you keep clothes away from stove?

YOU can make your home FIRE SAFE!
